# Dark Vapor or Black Satin Chrome Wheels

**CAUTION:** If your vehicle is equipped with Dark Vapor or Black Satin Chrome wheels DO NOT USE wheel cleaners, abrasives or polishing compounds. They will permanently damage this finish and such damage is not covered by the New Vehicle Limited Warranty. USE ONLY MILD SOAP AND WATER WITH A SOFT CLOTH. Used on a regular basis this is all that is required to maintain this finish. **Use of any wheel cleaning product will stain the surface and is not considered a warrantable condition.**
